MEXICAN PASSED WORTHLESS CHECK

RAN AGAINST TROUBLE, HOWEVER, WHEN HE TRIED HIS GAME ON L. G. LYMAN, WHO GOT WATCH FOR SECURITY.

As a souvenir of a "personally conducted" detective affair earlier in the week, L. G. Lyman is exhibiting an open-face gold watch and chain which he is holding for redemption by the owner, a Mexican, by the name of Myer A. Sochat, hailing from Valentin, Texas.

The Mexican purchased goods to the amount of \$1.50 at the Lyman store, presenting a check in payment for \$12.50 which it was found was worthless. Mr. Lyman and his son, Lyle, kept a lookout for the man and finally located him just as he was about to make a get-away by train for Jacksonville, having accumulated sufficient money for his fare by taking orders among the negroes for enlarged crayon portraits, with a 25-cent deposit on the cost.

Mr. Lyman and his son boarded the train and made a search for the Mexican. He was found by Mr. Lyman, who took him by the collar and demanded a squaring of accounts. The fellow claimed that he had no money and Mr. Lyman finally took the watch as security and let him go. The Mexican is said to have boasted while here that he had never done a day's work in his life.

Mrs. James C. Fisher and Mrs. Geo. C. Bosson, mother and daughter, of Boston, Mass., are in Daytona for the season, guests at the Ivy Lane Inn. They have been accustomed to spending the winter season in Europe, but owing to the unsettled conditions even in the countries not engaged in war they have come to Florida.

French batteries a shepherd was feeding his flock, among which were five snow-white goats.

The shepherd was arrested, and inquiries showed that during the German occupation of Puisseux he was the only inhabitant who had not been ousted, and that he had been given the white goats whose presence was to signal the position of the French runs.

Durot, at his trial, admitted his guilt.

You Know It.

The man who really practices what he preaches does mighty little preaching.

In processing the business of commissioners of the several counties was adopted:

Hon. County Commissioners of Duval, St. Johns, Volusia, Brevard, St. Lucie, Palm Beach and Dade counties. Gentlemen:—Our attention has been called to the very unsatisfactory markers and buoys in the inland waterway along the East Coast and we address you with the idea in view of receiving your immediate cooperation in each county in having the markers restored.

As you are aware the southbound trips of yachts along this route for the winter has set in, and much expense

Speaking of the wonders of the deep, the most remarkable freaks hang around shoal water during the sunbathing season.

Rush Hour Luck.

"That's what I call hard luck!" laughed a man at the Brooklyn bridge the other night, as he rose from a stooping position amid the hurrying feet that jammed the stairway. "I saw a dollar bill all right lying down there, but the crowd wouldn't wait for me to pick it up."—New York Evening Post.

EDITOR "IN ADAM'S GARDEN" AT SEABREEZE TOURISTS' CHURCH
Elmer Willis Serl, editor "In Adam's Garden," published at Carthage, Mo., will spend the winter season at Seabreeze. He will speak every Sunday morning at the Tourists' church, corner Glenview avenue and Peninsula drive. Tomorrow at 11:00 o'clock the subject of the sermon will be "Subway Ministries."

Miss K. I. Bacon of Ogdensburg, N. Y., arrived Thursday to spend the season and is a guest at the Gables hotel, this being her fourth season at that house.

WITH TWO FINE GOBBLERS
James Bennett, of North Beach street, hunter and guide, and an employee of the Arcade Amusement company, as well, made a hunting expedition into the hammocks Thursday of this week and brought back two fine turkey gobblers, the display of which aroused considerable interest among the sportsmen of this city.

KIDDIES ROMP AND EAT REFRESHMENTS

ANNUAL CHILDREN'S PARTY BY THE DAYTONA LODGE OF ELKS AT THE HOME ON FRIDAY EVENING.

Fully 150 children, ranging in size from wee toddling tots to near-grown ups, were present at the children's party given by the Daytona lodge of Elks Friday evening. Most of the youngsters were attended by their parents, but this fact placed no restraint on the kiddies, who romped and played from 6:30 until 10:00 o'clock.

Music was discussed throughout the evening by the New Daytona Theater orchestra, Saracina's band and the Crystal orchestra. The tables in the dining room seated the entire assemblage of children and daintily colored ice cream and cake were served. After the children had been served the grown-ups were refreshed.

The children's party has become an annual event with the local lodge of Elks and the little men and women of Daytona have come to look forward to the affair.

the total amount expended on the two

GOATS AS SPY SIGNAL

Shepherd Who Aided Germans With
His Flock Sentenced to Death
for Treason.

Chalons-sur-Marne.—A Frenchman,
Alfred Durot by name, has been
sentenced to death by court-martial for
treason.

During the battle which raged
around Reims the French artillery
operating near the village of Puisseux
was subjected to a terrific bombard-
ment by the Germans, no matter how
often they changed their position. A
careful watch was kept, and it was
discovered that a mile in front of the

French batteries a shepherd was feed-
ing his flock, among which were five
snow-white goats.

The shepherd was arrested, and in-
quiries showed that during the Ger-
man occupation of Puisseux he was the
only inhabitant who had not been no-
ticed, and that he had been given the
white goats whose presence was to
signal the position of the French
guns.

Durot, at his trial, admitted his
guilt.

WANT COASTAL CANAL MADE SAFER ROUTE

COMMISSIONERS OF EAST COAST
COUNTIES ASKED TO CONSIDER
PLACING OF BUOYS AND MARK-
ERS.

A meeting of the Florida Associa-
tion of Tax Assessors and County
Commissioners was held at Jackson-
ville Thursday. William Moore An-
gas appeared before the assembly and
called attention to the simple re-
quirements to make enjoyable the trip
by boat along the inland waterway in
that, at small expense, buoys and
markers could be placed by several
of the East Coast counties.

Pursuant to action the association
adopted a letter form to be sent to the
county commissioners of the six East
Coast counties of Duval, St. Johns,
Volusia, Brevard, St. Lucie, Palm
Beach and Dade, asking that imme-
diate attention be given to this im-
portant matter.

The following letter form, to be
used in addressing the boards of
commissioners of the several counties
was adopted:

Hon. County Commissioners of Duval,
St. Johns, Volusia, Brevard, St. Lu-
cie, Palm Beach and Dade counties.
Gentlemen:—Our attention has been
called to the very unsatisfactory
markers and buoys in the inland
waterway along the East Coast and
we address you with the idea in view
of receiving your immediate co-
operation in each county in having the
markers restored.

As you are aware the southbound
trips of yachts along this route for the
winter has set in, and much expense

and annoyance will be averted by the
markers being restored at once.

Is it possible to secure your imme-
diate action in this matter by having
the work in your respective counties
attended to at once without waiting
for the action of your board at a regu-
lar session?

The expense is so small in each
county that it is not a matter of money
but of immediate need.

A representative from each of your
counties has been here in attendance
on the meeting of the Florida Associa-
tion of Assessors and County Commis-
sioners, and this letter is referred to
them to the end that it will have
prompt attention from you. We feel
you will see the great importance of
this and accomplish same.

Most truly,

"THE FLORIDA ASSOCIATION OF
TAX ASSESSORS AND COUNTY
COMMISSIONERS."

DO NOT DELAY

One of the pallbearers at the funeral leaned over to the young widow just after the body had been lowered into the grave and proposed. The young widow blushed and said, "I am sorry but the man who sat up with the corpse is ahead of you."

This little story illustrates a great moral. Some of the best opportunities in our life are lost because we do not try for them soon enough.

The work of developing and improving one of the best subdivisions in the state of Florida has been in progress for two weeks. This property comprises the best located home sites which have ever been offered in the city of Daytona, being located nearest to the business center and to the Halifax River and Atlantic ocean.

This property would have been built up twenty years ago but it was held off the market by the former owners until this winter. All improvements including paved streets, concrete sidewalks, ornamental trees, shrubs and ornamental columns will be put in free by the developing company. City water, electric lights, gas and telephones have been installed on the property.

TICKETS FOR ELKS' MINSTRELS ON SALE AT HANKINS' MONDAY

PROMISED THAT SHOW WILL SURPASS ANY LOCAL AMATEUR OFFERING YET PRESENTED IN THIS CITY.

The sale of advance tickets for the Elks' minstrels show has been heavy and it is probable that Hankins' pharmacy, where Volusia meets Beach, will be a busy place Monday when the reserved seats go on sale. Those who have bought the advance tickets will be able to exchange them for coupon seats, and all will do well to be on hand early. Mail orders will be handled with all consideration possible provided they are accompanied by exchangeable tickets or cash. All seats will be \$1.00.

Rehearsals for the production have been progressing nicely and the show is ready to go on now. The first part setting will be a revelation, for not only will it surpass any local talent offering of the past, but will show an artistic arrangement that would do credit to any road production. In the old several good numbers have been arranged, and altogether the Elks' minstrel show of next Thursday evening promises well to set a good pace for similar productions of the future to follow. Tickets for the "Arrival of Kitty," to be here Tuesday night, will go on sale at the same time.

BASKET BALL GAME AT THE NAUTILUS CASINO TONIGHT

The basket ball five of the Seabreeze high school will meet the Sanford team at the Nautilus this evening. Judging from the records of both teams Seabreeze should be able to defeat the boys hailing from the interior of the state. Seabreeze has a strong team this year and will prove a hard team to defeat. On the other hand Sanford should not be judged solely on the showing they made against D. H. S. at the Arcade Friday evening, for Sanford has a team that will beat many basket ball games this year. It should be an interesting game at the Nautilus this evening, and is worthy of a large attendance.

G. B. Seaman, right eminent grand commander of the Grand Commandery of Florida Knights Templar, went to Palatka Thursday to make an official inspection of the commandery in that city Thursday evening and continue from Palatka to Gainesville to inspect the commandery at that place. Mr. Seaman was accompanied by Geo. H. Clark, eminent commander of Oriental Commandery, No. 9, K. T., of this city. Jacob Espedahl, grand captain of the guard of the grand commandery, also attended the meeting of the Palatka commandery, returning from that city Friday morning.

DATE OF BANQUET MADE WEEK LATER

BOARD OF TRADE GETS COMMUNICATION ABOUT IMMIGRANTS—HOFSTATTER BEFORE COUNCIL NEXT MONDAY NIGHT

After waiting for some time past the stated meeting hour for a quorum to show up, the weekly board of trade session was held Friday evening. In the absence of President Rolland E. Stevens, who was out at his grove watching the effect of the cold on the oranges and trees, L. M. Waite presided.

Following the dispatch of routine business, the question of naming another date on which to have the board of trade banquet was broached. It had been planned to have the banquet at the Despland hotel on January 1st, but as this is also the date on which the Despland's formal opening takes place, it was deemed wise to change the banquet date to Friday, January 8th.

The sign at the railway station is to be repainted and relettered. The

new wording will be something like this: "Daytona, the Prettiest Winter Resort in the World," with an additional reference to the daily band concerts. This work is to be done by the manager of Saracina's band, Ward S. Manning.

Secretary Deacon read a letter from the Southern Settlement and Development bureau of Baltimore with reference to settling Belgian refugees on trucking lands in this locality. The proposition also included immigrants of other nationalities. The secretary was instructed to get more information on the subject.

Theodore Hofstatter reported that he will appear before the municipal council next Monday and present a commission form of government plan.

The committee on amusements reported that it does not regard as desirable, at this time, automobile races participated in only by local people.

WANTS ALL TEACHERS ATTEND CONVENTION

SUPERINTENDENT OF COUNTY SCHOOLS WRITES LETTER URGING BIG REPRESENTATION FOR VOLUSIA AT LAKE LAND.

Appended are extracts from a copy of letter School Superintendent C. R. M. Sheppard has mailed from DeLand to all the teachers in the public schools of Volusia county.

"At the recent meeting of the board of education all schools in the county were ordered closed December 18th for the Christmas holidays and reopen January 4th.

"The school board is very anxious that every white teacher, if possible, attend the educational association which will be held in Lakeland, December 28 to 31, inclusive. As an incentive to teachers to attend the board has decided to allow each teacher who will go \$4.40, the same being the fare from DeLand to Lakeland and return.

"We believe a large delegation in a special Volusia county coach would

be a great boost to our teachers, our entire school system, and to the county in general.

"The railroad company has agreed to give us a special car to be used exclusively by Volusia county teachers and their friends, provided a sufficient number will go to justify.

"A later notice will be forwarded stating just what date and hour the car will leave DeLand and Orange City. Should definite arrangements be made for a special Volusia county car, it would be nice could each large school bring along a school banner bearing the name of the school. We will provide a large banner bearing the name of the Volusia County Teachers' association.

"Let's all boost, carry a large delegation to Lakeland and show the other counties that Volusia is on the map, too."

"Dixie" Popular With All.

"Dixie," sung originally as a "walk around" at a Broadway minstrel show, became an inspiring southern battle song, then spread throughout the whole country and took its place among its national airs. It was played and sung with equal zest by both the blue and gray in the Spanish war.

ROYAL ARCH MASONS HOLD THEIR ANNUAL ELECTION

Haltia Chapter No. 5, Royal Arch Masons, elected the following officers at the regular meeting Thursday evening:

R. W. Mesmore, eminent high priest.

W. J. Brew, king.

E. R. Bingham, scribe.

G. F. Smith, treasurer.

A. H. Carter, secretary.

W. E. Ballough, principal sojourner.

First Field Artillery.

The first field artillery was devised by Gustavus Adolphus. His beaten copper guns, crapped in leather, could be fired faster than a man could fire a musket. It was due to the proficiency of his artillery, more than any other reason, that he was able to carry on the Thirty Years war.

SERIES OF SPECIAL SERMONS BY REVEREND S. L. JACKSON

Rev. S. L. Jackson, pastor of the First Christian church, will deliver a series of special sermons beginning tomorrow evening. The following subjects will be discussed in the order given:

"The Old Covenant and the New;" "The New Testament Church;" "The Office and Work of the Holy Spirit;" "The Church Entered by the New Birth;" "From Jerusalem to Rome and Back Again;" "The Common Name;" "The Common Baptism;" "The Common Ground for Christian Union."

Mr. Jackson's subject tomorrow morning will be, "Our Religion." At the evening hour his subject will be, "The Old Covenant and the New."

Gunpowder in Warfare.

The employment of gunpowder to hurl iron and lead balls in the thirteenth and fourteenth centuries sent all ancient artillery into the trash heap. Some authorities credit the Moors with the first use of cannon in Europe when they raided Spain in the thirteenth century. Others assert it appeared first at the battle of Crecy, 1346. It came into general use about the close of the thirteenth century.

PUT PART OF YOUR SAVINGS INTO A LOT IN OCEAN VIEW HEIGHTS, AND FROM MONTH TO MONTH SET ASIDE A SMALL AMOUNT NECESSARY TO MAKE YOUR PAYMENT. IN A FEW YEARS YOU WILL BE SURPRISED AND PROUD OF YOUR INVESTMENT, WHICH BY THAT TIME WILL BE GREATLY ENHANCED IN VALUE.

THERE HAS NOT BEEN A GOOD SUBDIVISION PUT ON THE MARKET HERE IN RECENT YEARS, BUT WHAT THE PURCHASERS, WHO DESIRED TO SELL, DID SO AT A HANDSOME PROFIT.

AS YOU WELL KNOW, THE INVESTMENT OF A FEW HUNDRED DOLLARS IN LOCAL REAL ESTATE, HAS MADE MANY PEOPLE WELL TO DO.

SIMPLY A CASE OF LOOKING AHEAD. WHO DOES NOT REMEMBER WHEN PROPERTY ON THE BEACH COULD HAVE BEEN BOUGHT FOR A VERY SMALL AMOUNT? LOOK AT IT TODAY.

IF YOU COULD HAVE SEEN AHEAD, WOULD YOU NOT HAVE BOUGHT THEN?

SURELY YOU WOULD HAVE. AND WHY NOT NOW. THINGS HAVE NOT REALLY STARTED TO MOVE. THINGS ARE STILL IN THEIR INFANCY. THE SURFACE HAS ONLY BEEN SCRATCHED. THE BIG THINGS ARE STILL TO COME.

RIGHT NOW IS THE TIME TO GET IN, WHILE THE GETTING IN IS GOOD, AND WE HAVE JUST THE RIGHT THING TO "GET IN" ON.

OCEAN VIEW HEIGHTS LOTS CAN BE BOUGHT FOR \$170.00 EACH. CAR LINE IS BEING EXTENDED THROUGH THE PROPERTY NOW. STREETS ARE BEING CLEARED AND GRADED. HOUSES ARE TO BE BUILT ON SOME OF THE LOTS ALREADY SOLD. AND YOU CAN BUY THE LOTS BY PAYING \$42.50 DOWN AND \$12.75 A MONTH FOR TEN MONTHS.

LOOK AHEAD FIVE YEARS, AFTER THINKING BACK FIVE YEARS, WHAT DO YOU THINK ABOUT IT NOW? BETTER CALL UP 262 RED, RIGHT NOW, AND LET ME CALL ON YOU, WITH A MAP, AND SHOW YOU WHAT YOU POSSIBLY CANNOT SEE YOURSELF.

MICHIGAN MAN GETS BRIDE FROM DAYTONA

MISS MINNIE M. LYMAN OF THIS CITY MARRIED MELVIN C. BURGER OF BAY CITY, MICHIGAN, RECENTLY.

Miss Minnie M. Lyman of this city and Melvin Charles Burger of Bay City, Mich., were united in marriage in the parsonage of the M. E. church in Bay City at 4:00 o'clock in the afternoon of Saturday, December 5th, and will reside in that city where the groom is proprietor of the New Craney hotel.

The bride is a daughter of Mr. and Mrs. L. G. Lyman of Orange avenue and has many friends in Daytona and vicinity who will unite in good wishes for a happy and prosperous married life for the newly wedded couple. Miss Lyman went from this city to Michigan early in the month of May of this year.

Mr. Burger's family is well known to Mr. and Mrs. Lyman and the groom is also remembered by them as a boy.

Unrivaled as Guerrillas.

As guerrilla fighters the Cossacks are unequalled and no lines of communication are safe from their sudden dashes. An enemy's train, no matter how close behind the fighting forces it may be, can never be sure of safety from marauding Cossacks. They appear with lightning unexpectedness and attack with startling rapidity and dash.

Character.

If we would weave character we must first separate our ideas from our habits, unless our habits are ideal.—Judge.

First Picture of Bow.

The bow is first depicted on Egyptian monuments about 2000 B. C. Its form then did not differ greatly from that in use among bows at the present day. It was used in European warfare as late as 1640, and was deemed quite as effective as the arquebus then employed.

The Girl Who Is in Demand.

There is a price on the head of every pretty girl who can bake good biscuits. Most any girl can look pretty under the parlor chandelier or in the soft moonlight, but, ah, how few will do to look at next morning at 6:30, and still fewer can set before the hungry men at breakfast a plate of appetizing hot biscuits, and for the one who can the boys are searching the world of girls.—Hamilton Record.

Grandmothers' Gifts to the Tiny Tot

These tiny booties were made of Scandinavian material, with a design in cross stitch. The little cap

was made of the same material and also was embroidered. If grandmother has idle moments these gifts would be particularly timely for the baby grandchild or grandson.

But "grandma" may have no idle moments, so perhaps she would be glad to know that all of the layette shops keep these articles on hand. The shops now are filled with dainty articles for the tiny stranger who selected this holiday time to make his protesting debut.

Mead Fermented and Unfermented.
Mead was a temperance drink in early Europe before it was perverted, or improved, according to the point of view, by fermentation. It was honey and water and spices, and many found in it a potent liquid. Among early Americans mead was a gentle and flavoring matter, usually sarsaparilla.

Defenses of Babylon.
The River Euphrates flowed through the city of Babylon, and on each side of its banks the walls of the city were carried up to a height as great as at any other point, so that even during a siege the city was as formidably defended on the river as on the land side.

KING ALBERT DIGS TRENCH

Belgian Monarch Helps Out With Shovel While His Troops Get Warm.

Paris.—In connection with the wintry weather now prevailing in Flanders, the following story comes through from Fumes:

"Despite the cold, King Albert spent all of Sunday in the trenches. He met some soldiers who had thrown down their spades and were warming their hands at a fire. The king paused and remarked pleasantly that the weather was unusually severe. The half-frozen soldiers, recognizing their monarch, were so overcome they could hardly speak. King Albert then turned to his staff, saying:

"Gentlemen, I suggest that we relieve these fine fellows and give them a chance to get warm."

"With that the king seized a shovel and set to work vigorously. About half a dozen officers of the king's suite followed suit."

SPIES USE LUNATIC ASYLUM

Most Unlikely Places Resorted to by the Secret Service Men of Germany.

Paris.—German spies have been traced to the most unlikely places. In Lorraine the enemy used a lunatic asylum as a regular spy depot. All the doctors and most of the ordinary attendants deserted the institution with the approach of the French army. Their places were taken by spies. Fighting proceeded around the place several days, and by the clever use of Red Cross flags the spies were able to direct the German artillery fire with deadly effect. Fifteen were executed in the asylum courtyard.

Gradual Advance in Artillery.

The greatest change in artillery came about the time of our Civil war, when the rifled gun was brought out. It increased the range and power. At a later period the gun carriages were improved, so that the recoil was absorbed instead of being allowed to throw the gun back after each discharge. Since 1860 constant improvements have been made until the present efficient artillery has been produced.

Had Seen One Once.

Louise, who was weighty for her age, was having a party for her little friends. Her father coming into the room said: "Children, did you ever see anyone as fat as Louise?" "Yes, sir," said one little girl, "but it was in a show."
